

# MALTA

Alc.5'1% vol. | Degrees Plato 12 | 24 IBU's

## BEER STYLE PALE ALE

Top-fermentation beer in the traditional British style.

## TASTING NOTE

Full bodied and toasted color, to enjoy an intense flavor. Serving temperature between 6° and 10°C, though the optimal tasting is over 7°C, when the textures and flavors of the Ale beers flourish.

## INGREDIENTS OF THE RECIPE

Water. Malts: pale ale, crystal and coffee. Hops: challenger, east kent goldings and fuggels. Yeast.
